Dear Parents/Guardians:

Great news! Astumbo Elementary School passed the health and safety inspection conducted by the Department of Public Health & Social Services (DPHSS) from December 18 to 26, 2023. I would like to thank all the efforts and cooperation of many people. I want to thank the staff, faculty, students, parents & families, Astumbo ES PTO, GDOE facilities and maintenance and their team, Nik Cruz - CIP, Christopher Anderson, and our community partners who supported us in getting ready for the Inspection. This accomplishment shows everyone's hard work.

On another note in honor of National School Counselors Week 2024 (February 5-9), we want to take this opportunity to thank our ATEC counselor, Mrs. Katrina Comia. Mrs. Comia, your hard work and dedication to our students goes unnoticed. We appreciate all that you do for our students and their families and the support you provide for our teachers and staff, you contribute to the continuum of school supports that our students need to achieve academically. Thank you for your hard work to make our students feel safe and valued so they can reach their full potential. With that, let us take the time to thank Mrs. Comia by greeting her and thanking her personally, sending an email, making a banner from your class or grade level or simply writing a note to her. Again, Happy School Counselor's Week Mrs. Comia! WE APPRECIATE YOU!

To note, On January 29, 2024 Semester 1 report cards were sent home. We encourage you to contact your child's teachers on their progress if you have not done so. Again, we cannot reiterate enough that your continued involvement is a wonderful asset in our partnership to provide the best possible education for all our students. Parents/Guardians, it is important to communicate to your child that you take their education very seriously. Show them that you are supportive and you believe in his or her abilities to achieve. We are a firm believer that all students can thrive if they take advantage of their educational opportunities.

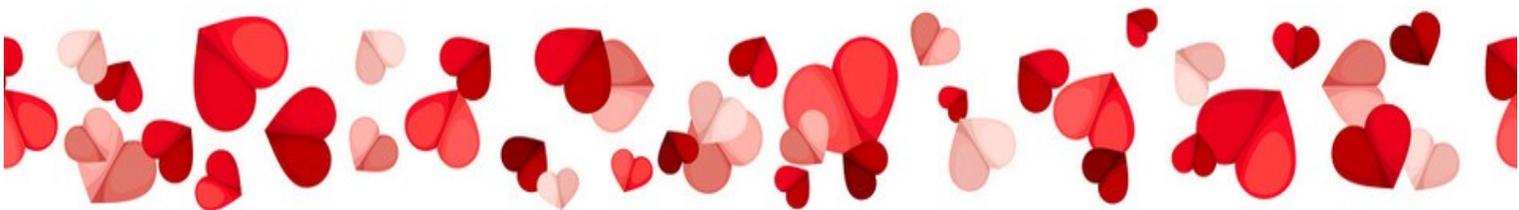

Together, we make a great team that can prepare our students and our society for a very bright future, which leads to the quote, "We've got to build a better person before we can build a better society." Author Unknown

Have a wonderful month of February filled with love, good health, and kindness. Have a wonderful Valentine's Day everyone!

A MESSAGE FROM OUR PRINCIPAL

Mrs. Josephine Parel-Fontbuena

Safety First

We are committed to the continuity of learning for our students therefore protecting the health and safety of our students and families, and employees is a priority. With that said, we need to make necessary adjustments on how we will educate our students and the need to follow certain health and safety guidelines.

Student Arrival

School Gates open at 7:15am for students. Students are not allowed on campus before 7:15am. Students have an option to wear a face mask/covering upon entry into the school campus. We would like to inform our parents/guardians that Astumbo Elementary is enforcing a “**DROP and GO**” morning Drop Off procedure.

Office Hours/Meetings/ Request for School Documents

Main Office Hours will be from 8:30am to 2:00pm. Only two (2) visitors are allowed in the main office lobby. Please ring the doorbell for assistance. All visitor(s) or Parent/Guardian meetings will be by appointment only to address any concerns or to request for school documents/withdrawals/registration or unless arranged by the school administrator or office staff.

Visitors

Please be aware that as per GDOE policy, all visitors are required to sign in at the main office. Please note that “Any person found on school campus without permission from the principal shall be guilty of a misdemeanor”. Government Code of Guam, Section 11503. This is to ensure protection and safety of our faculty/staff and students on campus.

Visitors will be entertained from 8:30am to 2:00pm. Visitors will not be entertained during student arrivals and dismissals to avoid congestion. All visitors will adhere to the following guidelines:

- * Wearing a face mask/ covering is optional upon entry into the school campus.
- * All visitors are required to check into the main gate with the Gate keeper.

Front and Back Gate Walkers

Front and back gate opens at 7:15am and closes at 8:15am. Student(s) are to wait at the front/back walker gate until a staff opens the gate. Face mask covering is optional.

Dismissal

Please take note that dismissal is at 2:43pm, once all the buses leave the campus, to minimize the exposure on campus, parents will not be allowed to enter the campus to pick up their children. We ask that you wait by the front/back gate as your child is escorted to the designated gate. Please keep the 6ft physical distancing. On rainy days, please be prepared to bring an umbrella or raincoat when you pick up your child/children. There may be a delay in releasing your children as we wait for the rain to subside.

For walkers and student pick-up, both the main walker's entrance gate and the main gate will close at 2:00pm, and will re-open at 2:43pm.

For the safety of everyone, your continued support and cooperation in adhering with the drop-off and dismissal procedures is greatly appreciated. We also ask for your patience, as we think of the safety of everyone.

Astumbo Head Start Newsletter

FEBRUARY 2024

Dear Parents,

We are about to begin the "LIGHT" study for this month. Light is fascinating, fun and easy for children to explore. Through the study of light, children will learn about the different parts of lights (artificial & natural light), how to turn lights on and off, how people use light, and what kinds of things block light or allow light shine through.

The light study includes four investigations aimed at exploring and learning about light.

Investigation 1: What objects make light? How do we turn on and off the light?

Investigation 2: How do we use light?

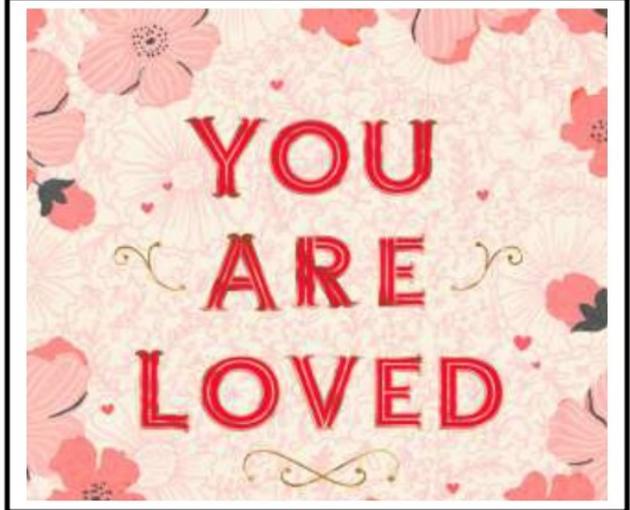

Investigation 3: What happens when we block light?

Investigation 4: What kinds of things does light shine through? Lastly, celebrate the learning.

Kindly read our "Letter to Parents" and if you have materials or ideas that would like to suggest or share, please feel free to message us.

Lastly, "Thank you for your continued involvement."

-Ms. Moody, Ms. Roshelle & Ms. Res

Focus Objectives of the Month

1st Grade

Concentrating on vowel and consonant recognition, specifically the letters m, k, x, l, and w, along with their corresponding sounds to enhance proficiency in reading decodable stories. The theme for the week revolves around various jobs. The designated word for this week is "and," and students will engage in sentence fill-ins, utilizing "and" to complete sentences.

2nd Grade

Emphasizing letter and sound recognition for g, w, k, v, and j. The focus words for the week include all, does, and here. Students will delve into decodable stories, leveled Readers, explore the short e sound, and work with the phonogram - et.

3rd Grade:

Currently using stories with high frequency words to address fluency. Students also answer WH questions at the end of the story. Some comprehension skills required students to recall the sequence of the story and write a sentence or two to support their answer choices.

4th Grade

4th Grade continues to work on decoding skills, improving fluency and comprehension, as well as building both academic and basic vocabulary. Mastering sight words is an ongoing task that fourth grade students have been focusing on. Comprehension lessons include identifying quoting from the text, answering WH questions, with special attention to why questions.

5th Grade

February is Black History Month, 5th grade will continue to read biographies of famous African Americans. Our goal is not only to learn about their triumphs, struggles, and their contributions to our history but it is also our hope to inspire our young readers to rise above adversity. This will not only target reading fluency and comprehension but will target our writing objectives as well.

The Great Kindness Challenge

"I AM AN EMPATHETIC CITIZEN."

What does kindness mean?

Kindness means caring for each other, offering help, and being friendly.
-John Paul Pascua, 5th grade

Kindness means to help someone in need. Or, being nice to someone even if you don't have to. Also, giving to the homeless.
-Cayden Delos Reyes, 5th Grade

To share something to others and respect them.

Kindness means to be a person who has a good heart and is very helpful.

Kindness means to be nice, helpful, caring, loving, and kind and that's what kindness is.

Kindness means to be nice, friendly, caring, and treat others how you want to be treated.

Kindness is like being like saying kind stuff or something like that can make people happy, and smile.

Kindness means doing something sweet and helping people in need.

Kindness means about caring and being kind to others.

Kindness is like caring being nice and loving other friends.

Kindness means being nice to others. This means you don't do anything bad to/ for others. Instead, you do good and nice things for them. Some things you can do are helping them when they need it, and being nice to them.
-Rhylee Morota, 4th Grade

Kindness to me means helping some when they do something wrong. It also means to look out each and comfort them too. Also being friendly and not hurting their feelings.
-Jeanelle Calma, 4th grade

Why is it important to be kind?

It is important to be kind because if you are not kind to someone it can hurt their feelings and you will get in trouble. Another reason why being kind is important is what if you are trying to get in a job and if you are not kind you of course won't get in the job.
-Sharlene Pascua, 5th grade

It is important to be kind to others because when you do something nice to them then they will be kind to you.

It's important to be kind because if you don't no one will be kind to you .

It's important to be kind to people because thives a quote "treat people the way you want to be treated" and that's why it is important to be kind.

It is important to be kind because if you treat people differently they wont give you kindness back.

Kindness is important because other people want to be treated the same way u treat others.

Kindness is important because it makes people feel happy and without kindness we would be sad or mad.

It is important to be kind because, if you're kind, people will also be kind to you. If you treat someone with respect and kindness, they will also treat you with respect and kindness. You should always treat people the way you want to be treated. That is why it's important to be kind.

It is important to be kind because you can spread love and not hate. If your not kind to other people, you can really hurt their feelings and can get in trouble.

It's important to be kind because you never know what's going on at home to them and there other way that kindness is important is that if you don't be kind they might be kind back to you.

Its important to be kind because u never know how much they're going through and other way is important to be kind is that if You don't be kind they might not be kind to you too.

It is important to be kind because it is good to be kind and to respect others kindness.

It is important to be kind because not being kind can hurt others. You will never feel good for someone else if you hurt someone else.
-Amber Manzana,3rd grade

It's important to be kind because God is always watching you! Kindness is important. Not bullying. It's really bad and being kind you'd get good luck but bullying you get bad luck. So that's why being kind is important
-Abigail Tallada, 3 grade

Why is it important to be kind?
Its important to be kind because if your mean they wont be nice to you and treat others how you want to be treated.
-Kaley Pieper,3grade

It is important to be kind because if you are mean to a person you'll get the same treatment you showed to that person! It can hurt his/her emotions and you can lose your friends just for being a meanie and you have to be kind because you will have more friends and they can support you in your life!!! So be kind to others and never be a mean person!!
YAAY Kindness is happiness!!
