A Message From Our Principal

Hafa Adai Parents/ Guardians,

Spring is in the air and summer is just around the corner!! Although summer is peeking through, we still have a lot of work to do. We will be administering the District Wide Assessment from April 17, 2023 to April 21, 2023. The designated make up days are the week of April 24-26, 2023. This school year, the district has decided to use AimsWeb Plus as the district wide assessment. Your child/children are already familiar with this test as it is administered to them three times a year (Fall, Winter and Spring). More details regarding the testing schedule will be forthcoming.

Also for this month, the National School Librarian week will be celebrated on April 3, 2023 to April 7, 2023 therefore, we would also like to acknowledge Mrs. Martina Aoki and thank her for keeping the library organized, exposing our students to not only texts, print media and literature but also digital resources and technology too.

In addition, we will also be celebrating Staff Appreciation Week on April 17, 2023 to April 21, 2023 and Teacher Appreciation week on May 1, 2023 to May 5, 2023. On these weeks, we would like to recognize the contribution of our teachers and staff for their year-long commitment. They are dedicated individuals who are committed to improving student achievement and strive for the best for all our students. Thank you in advance to our parents/guardians for joining us in showing our appreciation for our hard working teachers and Staff. We love our wonderful teachers and staff and we are grateful for all they do.

To close, I would also like to thank the families of Rai Xylar Jedidiah Pestanas and Raina Alison Rae Quidachay Benavente for coordinating the campus cleanup along with the family of Raina Myisa Teodoro, the faculty, staff and all others who were here last Saturday, March 25, 2023 and Sunday, March 26, 2023. Thank you for taking the time out from your weekend to cut the grass for the whole school campus grounds. I am sincerely grateful to all of you! The campus looks awesome! Words are not enough to express the gratitude I hold in my heart.

On behalf of the Faculty and Staff, we would like to wish everyone a Happy Easter! Enjoy the upcoming Spring Break ... a time to relax rest, rejuvenate and prepare for the last few months of the School year 2023!

Mrs. Josephine Parel-Fontbuena

Safety First

We are committed to the continuity of learning for our students therefore protecting the health and safety of our students and families, and employees is a priority. With that said, we need to make necessary adjustments on how we will educate our students and the need to follow certain health and safety guidelines.

Student Arrival

School Gates open at 7:15am for students. Students are not allowed on campus before 7:15am. All students are encouraged to wear a face mask/covering upon entry into the school campus. Temperature checks upon arrival and adherence of physical distancing will take place on campus. We would like to inform our parents/guardians that Astumbo Elementary is enforcing a "DROP and GO" morning Drop Off procedure. Please drop your child/children at the drop off (Car Riders) area located in front of the main office. Once your child/children have passed the temperature check and health screening, a staff member will inform you that you may leave.

Office Hours/Meetings/ Request for School Documents

Main Office Hours will be from 8:30am to 2:00pm. Only two (2) visitors are allowed in the main office lobby. Please ring the doorbell for assistance. All visitor(s) or Parent/Guardian meetings will be by appointment only to address any concerns or to request for school documents/withdrawals/registration or unless arranged by the school administrator or office staff.

Visitors

Please be aware that as per GDOE policy, all visitors are required to sign in at the main office. Please note that "Any person found on school campus without permission from the principal shall be guilty of a misdemeanor". Government Code of Guam, Section 11503. This is to ensure protection and safety of our faculty/staff and students on campus.

Visitors will be entertained from 8:30am to 2:00pm. Visitors will not be entertained during student arrivals and dismissals to avoid congestion. All visitors will adhere to the following guidelines:

- * All Visitors are encouraged to wear a face mask/covering upon entry into the school campus.
- * All visitors are required to check into the main gate with the Gate keeper.
- * Gate keeper will conduct the COVID -19 Symptom Screening and a required temperature check before proceeding into the school campus. Furthermore, no entry will be granted if temperature is 100 degrees Fahrenheit or above, in accordance with DPHSS guidelines.

Once on campus, all visitor(s) will adhere to the maximum capacity of each area and CDC physical/social distance guidelines of 6 feet apart. Also, follow the markings placed on the floorings.

Front and Back Gate Walkers

Front and back gate opens at 7:15am and closes at 8:15am. Student(s) are to wait at the front/back walker gate until a staff opens the gate. Student(s) are to adhere to 6 feet social/physical distancing by the walkers gates. Floor markings of 6 feet distancing requirement will need to be followed. Students are encouraged to wear a mask covering once they enter the school campus. They will also go through temperature check and health screening.

Dismissal

Please take note that dismissal is at 2:43pm, once all the buses leave the campus, to minimize the exposure on campus, parents will not be allowed to enter the campus to pick up their children. We ask that you wait by the front/back gate as your child is escorted to the designated gate. Please keep the 6ft physical distancing and to wear your masks. On rainy days, please be prepared to bring an umbrella or raincoat when you pick up your child/children. There may be a delay in releasing your children as we wait for the rain to subside.

For walkers and student pick-up, both the main walker's entrance gate and the main gate will close at 2:00pm, and will re-open at 2:43pm.

For the safety of everyone, your continued support and cooperation in adhering with the drop-off and dismissal procedures is greatly appreciated. We also ask for your patience, as we think of the safety of everyone.

Our school community will get a chance to visit the GATE classroom to check out our in class projects and activities. GATE week will commence with a GATE (K-5) Dance celebration on Friday, April 28, 2023. Please stay tuned for more information!

ESL Program

The ATES ESL team continues to conduct annual assessments for students identified as ESL through the Home Language Survey. Kindergarteners are now being serviced the ESL pullout program.

Tips and Reminders:

1. READ to your children or have them read to you every day. It helps develop reading fluency, comprehension, listening skills, and self-confidence.
2. TALK to your children when they come home from school. Ask them about their day. Talk to them about their challenges and triumphs. Daily conversations like these help develop oral language skills.
3. ASSIST in homework by allowing your child to work on their homework independently. Then CHECK for completeness and correctness and work with them to correct the errors.
4. ENGAGE in positive conversations with your children's teachers. Let us be partners in educating our children.
5. SIGN and complete forms brought home by your child.

If you have any questions about the ESL Program, please do not hesitate to contact the ESL Team: Mrs. Maria Lourdes Felipe – ESL Coordinator/5th Grade ESL Teacher; Mrs. Buffi Burk – Intermediate Grades Teacher; Mrs. Johanna Duenas – Primary Grades Teacher.

Parent Teacher Organization

Hafa Adai Butterflies,

On Friday, March 24, 2023, we celebrated the coronation of the 2023 Rai and Raina Royal Court. Each participant sold raffle booklets at \$5.00 each for the Malesso Crab Festival. The students who sold the most raffle booklets garnered the title of Rai and Raina. Through the participation and hard work of the parents and families of these 6 students, they raised over \$7,000. Half of the proceeds will go back to the Malesso Municipal Planning Council, and Mayor Ernest T. Chargualaf, (who is taking care of the cash prizes for the raffle drawing). The other half will go towards the needs of our students and school. Our last coronation was held in 2020, due to the COVID pandemic. Now that everything is getting back to normal, we hope to continue our Rai and Raina annually. We look forward to seeing more of our students to participate in this yearly event. On behalf of the Parent Teacher Organization, we extend a dangkulu na si yu'us ma'ase to all the parent, families, and everyone who supported our 2023 Rai and Raina Royan Court, and for your support and dedicatin to our students and our school. Biba Mes CHamoru! Biba Royal Court! Biba Astumbo Elementary School!
