A Message From Our Principal

Dear Parents/Guardians:

Happy February! Welcome to the second half of the school year! We would like to thank you for your continued support and cooperation thus far. Astumbo Elementary continues to reflect upon and improve our instructional goals to meet the needs of our diverse students and achieve our school goals.

Since we are halfway through the school year, have you taken notice of your child's progress? By now, you should have received your child's report card for the 1st Semester. We encourage you to contact teachers on your child's progress if you have not done so.

A good rule of thumb is to pay attention to the factors that impact learning and achievement. One of the most important is your child's attitude toward school. Good attendance also is vital for students to succeed at school. If they are not here, then we cannot teach them! Therefore, please do everything you can to ensure that students get enough sleep, eat well, and practice good hygiene. Even being a minute late to school causes a substantial disruption to your child's school day. Therefore, please drop your child/children to school no later than 8:15 a.m. daily.

Again, we cannot reiterate enough that your continued involvement is a wonderful asset in our partnership to provide the best possible education for all our students. Parents/Guardians, it is important to communicate to your child that you take their education very seriously. Show them that you are supportive and you believe in his or her abilities to achieve. We are a firm believer that all students can thrive if they take advantage of their educational opportunities.

Together, we make a great team that can prepare our students and our society for a very bright future, which leads to the quote, "*We've got to build a better person before we can build a better society.*" Author Unknown

On another note in honor of National School Counselors Week 2023 (February 6-10), we want to take this opportunity to thank our ATES counselor, Mrs. Katrina Comia. Mrs. Comia, your hard work and dedication to our students goes unnoticed. We appreciate all that you do for our students and their families and the support you provide for our teachers and staff, you contribute to the continuum of school supports that our students need to achieve academically. Thank you for your hard work to make our students feel safe and valued so they can reach their full potential. With that, let us take the time to thank Mrs. Comia by greeting her and thanking her personally, sending an email, making a banner from your class or grade level or simply writing a note to her. Again, Happy School Counselor's Week Mrs. Comia! WE APPRECIATE YOU!

Have a wonderful month of February filled with love, good health, and kindness.

Have a wonderful Valentine's Day everyone!

Mrs. Josephine Parel-Fontbuena

Safety First

We are committed to the continuity of learning for our students therefore protecting the health and safety of our students and families, and employees is a priority. With that said, we need to make necessary adjustments on how we will educate our students and the need to follow certain health and safety guidelines.

Student Arrival

School Gates open at 7:15am for students. Students are not allowed on campus before 7:15am. All students are encouraged to wear a face mask/covering upon entry into the school campus. Temperature checks upon arrival and adherence of physical distancing will take place on campus. We would like to inform our parents/guardians that Astumbo Elementary is enforcing a “**DROP and GO**” morning Drop Off procedure. Please drop your child/children at the drop off (Car Riders) area located in front of the main office. Once your child/children have passed the temperature check and health screening, a staff member will inform you that you may leave.

Office Hours/Meetings/ Request for School Documents

Main Office Hours will be from 8:30am to 2:00pm. Only two (2) visitors are allowed in the main office lobby. Please ring the doorbell for assistance. All visitor(s) or Parent/Guardian meetings will be by appointment only to address any concerns or to request for school documents/withdrawals/registration or unless arranged by the school administrator or office staff.

Visitors

Please be aware that as per GDOE policy, all visitors are required to sign in at the main office. Please note that “Any person found on school campus without permission from the principal shall be guilty of a misdemeanor”. Government Code of Guam, Section 11503. This is to ensure protection and safety of our faculty/staff and students on campus.

Visitors will be entertained from 8:30am to 2:00pm. Visitors will not be entertained during student arrivals and dismissals to avoid congestion. All visitors will adhere to the following guidelines:

- * All Visitors are encouraged to wear a face mask/covering upon entry into the school campus.
- * All visitors are required to check into the main gate with the Gate keeper.
- * Gate keeper will conduct the COVID -19 Symptom Screening and a required temperature check before proceeding into the school campus. Furthermore, no entry will be granted if temperature is 100 degrees Fahrenheit or above, in accordance with DPHSS guidelines.

Once on campus, all visitor(s) will adhere to the maximum capacity of each area and CDC physical/social distance guidelines of 6 feet apart. Also, follow the markings placed on the floorings.

Front and Back Gate Walkers

Front and back gate opens at 7:15am and closes at 8:15am. Student(s) are to wait at the front/back walker gate until a staff opens the gate. Student(s) are to adhere to 6 feet social/physical distancing by the walkers gates. Floor markings of 6 feet distancing requirement will need to be followed. Students are encouraged to wear a mask covering once they enter the school campus. They will also go through temperature check and health screening.

Dismissal

Please take note that dismissal is at 2:43pm, once all the buses leave the campus, to minimize the exposure on campus, parents will not be allowed to enter the campus to pick up their children. We ask that you wait by the front/back gate as your child is escorted to the designated gate. Please keep the 6ft physical distancing and to wear your masks. On rainy days, please be prepared to bring an umbrella or raincoat when you pick up your child/children. There may be a delay in releasing your children as we wait for the rain to subside.

For walkers and student pick-up, both the main walker's entrance gate and the main gate will close at 2:00pm, and will re-open at 2:43pm.

For the safety of everyone, your continued support and cooperation in adhering with the drop-off and dismissal procedures is greatly appreciated. We also ask for your patience, as we think of the safety of everyone.

If your child's mode of transportation changes temporarily or permanently, please provide a note to your child's teacher. Phone calls will not be granted.

CHECKLIST FOR FACE TO FACE LEARNING

- ☑ **Temperature Check:** Do a temperature check and visual symptoms screening.
- ☑ **Face Mask:** Highly encouraged but optional.
- ☑ **Hand Sanitizer:** Please label and have your child carry their personal hand sanitizer for their use only.

Please be advised that effective immediately, our **GDOE school nurse offices** will require **mandatory mask use** and implement the physical distancing requirements based on DPHSS guidance. If a student does not have a mask, masks are available in the Main Office.

NURSE'S CORNER

Astumbo Head Start Newsletter

FEBRUARY 2023

Dear Parents,

We are halfway of the light study and these are the listed focus questions for our month's learning theme:

Investigation 1: What objects make light? How do we turn on and off the light?

Investigation 2: How do we use light?

Investigation 3: What happens when we block light?

Investigation 4: What kinds of things does light shine through? Lastly, celebrate the learning.

Then on mid-February, we are going to do "PETS Study." In Headstart, children learn to be contributing members of a classroom community. Caring for class pet creates an opportunity for children to see the direct benefits of their responsible actions when they feed the class pet or remember to handle the pet gently and respectfully. Caring for a pet in the context of an in-depth study gives children a chance to learn about pets while interacting closely with the animal and each other. More information and focus questions will be forthcoming next month newsletter.
