## A MESSAGE FROM OUR PRINCIPAL

We have a lot to celebrate for the month of May!

We will be celebrating Staff Appreciation Day on May 6 and Teacher Appreciation week on May 9 to May 13. We would like to recognize the contribution of our teachers and staff for their year -long commitment. These are dedicated individuals who are committed to improving student achievement and strive for the best for all our students. Thank you in advance to our parents/guardians for joining us in showing our appreciation for our hard working teachers and Staff. We love our wonderful teachers and staff and we are grateful for all they do.

National School Nurses Day is also on May 11 and we would like to say thank you to our awesome Nurse Lucy Iona. We appreciate all you do for your continuous care for our Astumbo Elementary students. Happy Nurses Day!

We also celebrated the National School Librarian week last month on April 4 to April 9 therefore, we would also like to acknowledge Mrs. Darlene Ulloa- Cruz and thank her for keeping the library organized, exposing our students to not only texts, print media and literature but also digital resources and technology too.

On a similar note of celebrations, we would like to celebrate and congratulate our Fifth grade students who are preparing to embark on a new journey into middle school and adolescence, we wish you best wishes and success. At this stage of your life, it is very important that you take charge of your future, that you are an active participant in your future. Where you choose to focus your time and energy will directly impact what comes to you later in life. We encourage you to work hard in school, set goals for your life, and stay focused on those goals. Keep your eyes on your goals and do not let anyone or anything deter you from achieving them. Congratulations 5th graders!

In addition, to the rest of the grade levels, we look forward to seeing you in the upcoming school year. We would also like to congratulate you and honor you in your achievements this school year. Always continue to do your best!

Indeed, it has been a great year! Together we have learned much and shared experiences that will long remain with us in the years to come.

Another Congratulation also goes out to our entire school team and our community! Astumbo Elementary has just completed our very first Accreditation Self Study Virtual Visit! The visit was successful and went smoothly. According to our WASC Chairperson Mr. Charles Gary, "It's been a pleasure, I appreciate the effort, this was my 3<sup>rd</sup> virtual visit and I will put this on top of my list as far as making it simple for the visiting team." Again, thank you to all our school stakeholders for being part of our accreditation process- the visit and the interviews with our WASC Visiting Team. Based on their visit, the committee has identified the schools' strengths and areas for growth during the Exit report last April 27<sup>th</sup> to ensure that we continue the cycle of ongoing school improvement towards student achievement.

Once again, parents, it has been our pleasure getting to know not only your child, but you as well. Having parental support and open lines of communication is an essential part of any successful school year. Thank you for all you've done to make our year so fulfilling and memorable.

Special thanks to our faculty and staff who have contributed in ways small, large and unimaginable! Thank you for providing rich and engaging, well-rounded experiences for our students and knowing that education is about joy, wonder and fostering curiosity, along with the development of social skills so needed to succeed.

To our community partners, we appreciate your great support and assistance to our school community. We are truly grateful.

Faculty, staff, students, and parents thank you again for a wonderful year. Have a restful and safe summer with your families!

On a final note, let us not forget to honor and celebrate our mother's this May 8<sup>th</sup>. Happy Mother's day means more than just flowers and gifts. It means showing a **Warm and Sincere - Thank You for everything!!** So, please take this time to show love and appreciation for your mother. *Happy Mother's Day!!!*

# Astumbo Head Start Newsletter

MAY 2022

## Dear Parents,

Hooray! We made it! It's our last month in Head Start for the year 2021-2022. As our children embarking their new journey in transitioning to Kindergarten, let's continue the partnership in making sure that our children will have smooth transition in the next level of their education. It is important to support children's social-emotional development as they become comfortable with the transition from Head Start to Kindergarten.

Starting this week, we will begin to eat at the cafeteria, teaching them the routines and the proper way of lining up and getting their food while following the social distancing protocol. Consistent routines help children feel more secure and will support their growing independence as they look ahead to new experiences. Also, we will start to visit a Kindergarten classroom, to meet the new teachers and aides that will assist them next school year. Visiting a kindergarten classroom can be powerful experience to help them ease any anxiety children may have and build excitement about the change.

Lastly, let's celebrate our "End of the Year" by visiting the Funtastic Park Funport at the Micronesia Mall. Our children deserve this celebration for accomplishing another milestone in their education and to celebrate the learning that has taken place throughout the year.

Lastly, Ms Bri & I would like to express our fathomless of gratitude for your constant support not just with our children but with the whole HeadStart Program. Si Yu'us Ma'ase! Thank you so much!

Congratulations on a successful school year!
