A MESSAGE FROM OUR PRINCIPAL

We have a lot to celebrate for the month of May!

We will be celebrating Teacher Appreciation week on May 1 to 5, 2023. We would like to recognize the contribution of our teachers for their year-long commitment. These are dedicated individuals who are committed to improving student achievement and strive for the best for all our students. Thank you in advance to our parents/guardians for joining us in showing our appreciation for our hard working teachers. We love our wonderful teachers and we are grateful for all they do.

School Nurses Day is also on May 12th, and we would like to say thank you to our awesome Nurse Lucy Iona. We appreciate all you do for your continuous care for our Astumbo Elementary students. Happy Nurses Day!

We also celebrated the National School Librarian week last month on April 24 to April 28 therefore, we would also like to acknowledge Mrs. Aoki and thank her for keeping the library organized, exposing our students to not only texts, print media and literature but also digital resources and technology too.

We also celebrated our awesome school staff last April 17-21. We would like to thank everyone who donated all the delicious snacks for our staff. They are grateful for it. Thank you again staff for all you do!

On a similar note of celebrations, we would like to celebrate and congratulate our Fifth grade students who are preparing to embark on a new journey into middle school and adolescence, we wish you best wishes and success. At this stage of your life, it is very important that you take charge of your future, that you are an active participant in your future. Where you choose to focus your time and energy will directly impact what comes to you later in life. We encourage you to work hard in school, set goals for your life, and stay focused on those goals. Keep your eyes on your goals and do not let anyone or anything deter you from achieving them. Congratulations 5th graders!

In addition, to the rest of the grade levels, we look forward to seeing you in the upcoming school year. We would also like to congratulate you and honor you in your achievements this school year. Always continue to do your best!

Indeed, it has been a great year! Together we have learned much and shared experiences that will long remain with us in the years to come.

Once again, parents, it has been our pleasure getting to know not only your child, but you as well. Having parental support and open lines of communication is an essential part of any successful school year. Thank you for all you've done to make our year fulfilling and memorable.

Special thanks to our faculty and staff who have contributed in ways small, large and unimaginable! Thank you for providing rich and engaging, well-rounded experiences for our students and knowing that education is about joy, wonder and fostering curiosity, along with the development of social skills so needed to succeed.

To our community partners, we appreciate your great support and assistance to our school community. We are truly grateful.

Faculty, staff, students, and parents thank you again for a wonderful year. Have a restful and safe summer with your families!

*On a final note, let us not forget to honor and celebrate our mother's this May 14th. Happy Mother's day means more than just flowers and gifts. Astumbo Head Start Newsletter

MAY 2023

Dear Parents,

Hooray! We made it! It's our last month in Head Start for the year 2022-2023. As our children embarking their new journey in transitioning to Kindergarten, let's continue the partnership in making sure that our children will have smooth transition in the next level of their education. It is important to support children's social-emotional development as they become comfortable with the transition from Head Start to Kindergarten.

We had begun to eat at the cafeteria, teaching them the routines and the proper way of lining up and getting their food while following the safety. Consistent routines help children feel more secure and will support their growing independence as they look ahead to new experiences. Also, we will start to visit a Kindergarten classroom, to meet the new teachers and aides that will assist them next school year. Visiting a kindergarten classroom can be powerful experience to help them ease any anxiety children may have and build excitement about the change.

Lastly, let's celebrate our "End of the Year" by visiting the Funtastic Park Funport at the Micronesia Mall. Our children deserve this celebration for accomplishing another milestone in their education and to celebrate the learning that has taken place throughout the year.

Lastly, Ms Roshelle & I would like to express our fathomless of gratitude for your constant support not just with our children but with the whole HeadStart Program. Si Yu'us Ma'ase! Maraming Salamat Po! Thank you very much!

Congratulations on a successful school year!

TEACHERS!

Teachers are like flowers: they spread their beauty throughout the world. Their love of learning touches the hearts of their students, who then carry that sense of wonder with them wherever they may go. Teachers, with their words of wisdom, awaken the spirit within us all and lead us down the roads of life.
